Thursday 16th May 2019

Last week I wished Year 6 good luck in their SATs. This week I want to say a huge well done to them for their positive attitudes and resilience throughout the tests. Well done to all the other children who have also been doing some form of tests this week; we use these so that the children become familiar with the format and to show them (and us) whether they can apply the knowledge that they have learnt in a different situation to normal classwork.

Over the last two weeks we have had some fantastic class assemblies with Beech starting us off, followed by Rowan. All of the children acted and sang their hearts out and it was lovely to see what they had been learning come to life for the rest of the children and the parents.

Our new website is now up and running. We took feedback from the parent survey and included more ways you can support your child at home, with links to different sites, etc. There is also a section on growth mindset under the home tab, with a fun quiz to try. We have also included an Amazon wish list (under the parents tab); parents have asked me a number of times this year how they can help - this is just one way that you can help your child's class out (on the comments it shows which class has asked for the item).

Next Friday we have two exciting events; Reception have their very first class assembly where they will share their learning with their parents. A bit later that day we have a visit from our MP, Theresa Villiers, who will take a tour of the school and then watch a 'Safer Internet' assembly with Key Stage 2, run by a company called 'Internet Legends'. I look forward to reporting more on these events after half term!

Noah's Ark Hospice

One evening last week the staff went along to have a tour of the new Noah's Ark Hospice that is being built down the road from the school. Noah's Ark, for those of you who may not know, is a charity that provides clinical, practical and emotional support to babies, children and young people with life-limiting or life-threatening conditions and their families living in North and Central London and Hertsmere.

The Ark is their new state of the art hospice. It is due to be finished in June. But why am I telling you all of this?

This coming year, Noah's Ark is going to be one of the main charities that Foulds supports. We have chosen this charity because charity starts at home and in our own community and so what better charity for our school and our children to get involved with?!

The Ark is going to be a wonderful place, with so much that can help very poorly children and their families. Whilst walking round was an incredibly sad experience it was uplifting to know that we can help make a difference for these children in some small way by raising money.

Noah's Ark is also always looking for volunteers and support in other forms. If you are interested, please check out their website for more information. <https://www.noahsarkhospice.org.uk>

Sayer's Croft diaries

Well done to Yr6 for all the hard work they put into their Sayer's Croft diaries. The standard was very high with diaries packed full of humorous writing, great photos and illustrations.

It was a tough decision for the judges but 3 were shortlisted from each class. It was then an even tougher decision to pick a class winner.

For all the children though, I'm sure they'll treasure their diaries as a memento of their epic trip Sayer's Croft.

Year 5 History and Literacy Workshop at TTA

Last Friday, Year 5 went to see Dan Jones, a famous historian, at TTA for a history and literacy workshop. The theme was medieval knights and we had a sensational time along with some Year 7 students.

Dan Jones spoke to us about learning and training to be a knight during medieval times. He brought in artefacts and some of us even dressed up in chain mail and a helmet.

Daisy said, "My favourite thing was when we wrote about the knights and Stella and I created a rap! We were very proud of it ... it was ridiculous but it made us happy. I even read it out to everyone and Dan Jones was proud of me too."

Stella responded, "My favourite aspect of the day was putting on the armour because it was really heavy and weird which I didn't expect. I would NOT have liked to have been a knight."

Hugh commented, "It was FUN and surprising ... because I didn't expect there to be chain mail and helmets for us to try on."

Archie really enjoyed writing a diary entry because "I wasn't expecting that to happen ... I thought we'd just learn about training rather than writing about it too ... I really enjoyed that. I hope we get to go back to TTA again for another workshop."
