Thursday 19th September 2019

Welcome to our Reception families - the children have come and settled in wonderfully already. It has been a joy as ever to pop into our Early Years and see the buzz of activity! Our EYFS outdoor area is now complete in its revamp. Thank you to all those who helped raise money through the sponsored walk last year.

Well done to all the children who applied for the House and Sports Captain roles. Some great speeches were heard in the different houses. Congratulations to those children who won their positions.

I would like to share with you this week some wonderful acts of kindness that we were told about. Two of our children are helping some local elderly residents by taking them home prepared meals. What fantastic community spirit and a great hands on way to learn that some in our community might need a bit of a helping hand.

We have a busy few Fridays coming up - this Friday we have the new Reception Families Social Event...I hear rumours of a bouncy castle! Then next Friday we will be having a second hand book sale. Our library is hugely over stocked, as are our classrooms and we have an excess of books, with no shelf space unfortunately left to house them. Having offered some to Noah's Ark, we are selling the rest off (50p for one, three for a pound - bargain!) next Friday straight after school. Please do come, have a look and see if you can find a hidden gem or two!

E-Safety Meeting for Parents

There will be an e-safety meeting for parents on Wednesday 25th September from 7.00-8.00pm. This dynamic, high quality presentation provides parents with an insight into the wide array of apps, games and websites that children are using. This session is a 'must' for all parents whose children have a presence in the digital world. The outcome is to empower parents to keep their children safe when using technology. There are four areas to be covered in the session:

- What children are taught about Online Safety
- Latest trends of what children are doing online
- The issues and dangers children face online
- How we can make children safer online

Sorting Hat has Worked its Magic Again!

Year 3 have recently been assigned their houses; Byng, Pepys, Warwick or Hadley. The sorting hat had to make some difficult decisions and ask some hard questions but the children rose to the sorting hat's challenges and in the end all of the Year 3 children were allocated a House. Let's hope they now earn lots of team points for their houses!

Good Luck everyone!

Parking Guidance

This year we are continuing our work towards improving the safety for children and the local residents during drop off and pick up times. It is a very busy time and we are aware of the challenges that children, parents, carers and residents face with the number of cars that come and go in a short space of time. The safety and health of our children is a key priority and we would like to thank all parents and carers who do drive and park safely.

We would like to ask all parents and carers to continue working with us this year to keep our children safe by following our Parking Guidance.

Foulds Safer Parking Guidance

- The safety of our children is our key priority
- Drive safely, with due care and attention, and in accordance with the Highway Code at all times
- Reduce driving speeds to a maximum of 20mph on the roads around the school
- Be continually aware of children who are walking, scooting or cycling in the local area when driving or parking a car
- Obey the parking restrictions around the school at all times and if needed be prepared to park further away and walk
- There should be no parking or stopping momentarily on the zig-zag lines outside the school gates to drop off or pick up passengers. The markings are there to provide a clear area in which Foulds children can cross more safely.
- Double yellow lines—unless you have a disabled parking permit, you are not permitted to park on double yellow lines at any time.
- Be considerate in choosing a place to park that does not impact on pedestrian safety or local residents
- Turn off your engine when safely stopped to reduce idling fumes

Park and Stride

We are very keen to encourage even more of our children to scoot, cycle, walk and park and stride to school this year and we hope that parents and carers will support us in this.

We have numerous bike and scooter parks at school for children to use each day and you are parking and striding we ask that parents and carers use the roads nearer to QE Boys

Harvest Festival Assembly

This year we will be celebrating the Harvest Festival at Foulds in assembly on **Monday 30th September** with the children. As usual, we are asking you to donate fresh fruit and vegetables or dried/tinned goods which the children will distribute to the needy in our local community as well as to Chipping Barnet Foodbank. If you and your child could decorate a container for the goodies, all the better! If you know of a local resident who would appreciate a gift parcel, please let us know by filling in the slip below. You may want to check first - some children have been disappointed in the past when they tried to deliver a gift and were met with a less than welcoming response!

Instead of, or as well as, contributing food, you may want to give a **cash donation** which will go straight to Chipping Barnet Foodbank who provided 1,337 three-day food supplies last year to people in need. Thank you in advance for your donations which will make such a difference to the people who really need it.

If you are able to help with delivering gifts on **Tuesday 1st October** in the morning, please let the school office know, thank you.

Foulds vs Alma

Foulds' pre-season continued as we hosted Alma Primary for their school's very first football fixtures. The Central League's newest school brought two teams to Byng Road to play three mini-games vs three Foulds teams.

Foulds edged the series of contests but there were signs of rustiness in the Foulds' teams passing. Pre-season will continue with some testing encounters against Underhill, Christ Church, Broadfields, Dwight and St Andrews as we prepare to get match ready for the new season.
