

Dear Parents and Carers,

You have made it to the Easter holidays! A huge well done! I know the children have been doing a great job of accessing the online learning and have completed lots of tasks and this is in no small part down to the parents - so thank you.

I want to remind you that over the two weeks of Easter, nothing new will be posted in Google Classroom and the teachers will not be looking at it if you do upload anything during that time. This gives everyone a break and for those of you who wish, a chance to catch up.

I'm sure you will agree with me, that the staff have been doing a fantastic job of setting different tasks, both fun and challenging, on the google classroom and staying in touch with the children. Hopefully this is making the children feel that they are still in touch with us at Foulds and are starting to enjoy the structure and familiarity.

I'd like to take the opportunity to remind you that if you do have any issues with the home learning, please email us at [homelearningqueries@fouldsp.org](mailto:homelearningqueries@fouldsp.org) and not email the teacher. Please remind the children that Mrs Ingall and I get a notification of everything that is posted and the teachers do delete anything that is just silly, but this does waste their time.

If your child has still not accessed Google Classroom and you are having a problem doing so, please contact us via the above email address. If they do not have a laptop to access it through, once again please get in touch. Almost every child has now accessed Google Classroom in some way.

I hope you have all had a go at the Joe Wicks workouts - we are doing them at school daily and will be carrying them on over the Easter break. Remember - they aren't just for the children!

On Wednesday (1st April), Ms Lam led us in singing The Climb (Miley Cyrus). Thank you for sending your videos and pictures in of the children completing this task. If you are happy for any you took to be shared on a wider platform, please do share with us via the home learning email address. We will do another one after the Easter holidays. Hopefully the children found this motivating - many told us via Google Classroom that they could hear each other which made our day.

Thank you to those who came back to us with people who needed a care package dropped off as they are vulnerable or self isolating. We delivered some last week and are able to do more. Please contact us via the office email with an address if you feel that someone needs a pack and we will make one up and deliver it to their door.

Please note that the PTA AGM is postponed until further notice.

I won't leave you with a list of links this week, but instead suggest you find garden activities or art and crafts online that you can use. I do attach a flyer for the new Barnet community hub – for anyone who needs help.

We are thinking of you all.

Wishing you a wonderful Easter, a happy passover.

Take care and stay safe,
