Dear Parent/Carer

At Foulds, we sometimes take photographs and videos of pupils. We use these on the school's website, on Twitter, on Tapestry (Reception only), on display boards around school and in books/folders to support our assessments of teaching and learning.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

I am happy for the school to take photographs and videos of my child.	
I am happy for photos of my child to be used in the newsletter and on the school website.*	
I am happy for photos and videos of my child to be used in Tapestry (Reception only). I understand that my child's image may be visible to other Reception parents as part of a group shot.	
I am happy for photos and videos of my child to be used in assemblies and school productions	
I am happy for photos of my child to be used on Twitter*	
I am happy for my child's photos to be used in school books/folders.	
I am happy for photos of my child to be used in internal displays.	
I am happy for photos of my child to be used by local media to publicise school events or activities	

**We never publish a child's name alongside their photo online.*

Parents will be required to fill in a new form every academic year.

If you change your mind at any time, you can let us know by writing to the headteacher.

If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from 25th May 2018. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
