Volume 13 Issue 2

Thursday 12th September 2019

This week we continued to focus on 'Smart is'. As All The Ways To Be Smart says, "Smart is not just ticks and crosses, smart is building boats from boxes" and lots of the children have made posters celebrating things that they are good at so that others can see it too. They've thought about how to be smart within the classroom as well as thinking about outside the confines of the classroom.

Upper Key Stage 2 have had an especially busy start to the year with buddy training in Year 5 and a trip to Bristol University for Year 6 (report on that to follow next week). The Year 5 children were really engaged and enthusiastic about their buddy training, learning new skills and then putting them into practise with the Key Stage 1 children before coming back together and discussing what had worked well and improvements that could be made. They were very reflective and we know that they will make fabulous Buddies.

The children have been decorating their 'values' pebbles this week. When they bring them home, please take your child out around the area (or further afield) so that they can put their pebble out for someone else to find. We want to try and show how far and wide our community stretches - when people find the pebble we hope that they will tweet us @FouldsShool with a picture of the pebble and their location, before finding somewhere else to put it for someone else to find! Please help us by spreading the word so that this project can be a success!

E-Safety Meeting for Parents

There will be an e-safety meeting for parents on Wednesday 25th September from 7.00-8.00pm. This dynamic, high quality presentation provides parents with an insight into the wide array of apps, games and websites that children are using. This session is a 'must' for all parents whose children have a presence in the digital world. The outcome is to empower parents to keep their children safe when using technology. There are four areas to be covered in the session:

- What children are taught about Online Safety
- Latest trends of what children are doing online
- The issues and dangers children face online
- How we can make children safer online

Yr6 Bowling Trip

Strike! Spare! Split! Year 6 enjoyed their traditional end of year bowling trip to Hollywood Bowl at the end of last term. An array of unique bowling styles were on display as the children enjoyed two games of frenetic bowling. We hope Yr6 enjoyed their trip. They had a fantastic year!!

Calling Class Reps!

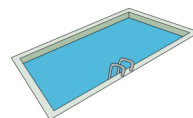

Calling Class Reps! We are currently looking for class reps for Rowan, Hazel, Beech, Oak, Chestnut and Elm. Class Reps are a vital part of the school community, acting as an invaluable link between the school, the PTA and parents. Being a Class Rep is a great way to get involved in the school and help out the PTA whilst not being too tied up! Class Reps generally send on information from the PTA to parents, organise collections for teachers at Christmas and the end of the year, organise the odd class social drink and answer any questions that might arise about class activities. How much else you do is really up to you! Class Reps are provided with everything they need to set up email groups and I promise I make it easy for you! If you are interested please contact me on sandersonsara@hotmail.com.

REMINDERS

- Please note that any **requests for exceptional leave of absence** from school should be made in advance (**before** travel arrangements are booked) in order for Miss Sanett to give them due consideration.
- Reception & Infant classes have a separate book available every morning to write in with any change of going home arrangements. If there are any changes, please notify the office as early as you can.
- We expect all parents to be ready to collect their children at the end of school at 3.25pm. We understand that, very occasionally, you may be unavoidably delayed. If you're late picking up your child, you will need to go to their classroom (via the office entrance) to collect them. No child will be left unattended—they will be supervised by your child's class teacher or another teacher in a nearby room. If you are ever running late then please call the office so that we can let your child know, thank you.
- At Foulds, pupils' hair must be in a conventional style. Examples of unacceptable styles for both boys and girls include: patterns shaved into a pupil's hair or eyebrows, Mohicans and hair dyed unnatural colours. **Hair which reaches the shoulders must be tied back.** Thank you for your co-operation.

SWIMMING INFORMATION
