Thursday 9th January 2020

Happy New Year and welcome back to a new decade at Foulds!

The children have had a fantastic start to the new term, showing wonderful behaviour for learning and attitudes around the school, as well as modelling our values of resilience, respect, teamwork, self-belief, kindness & responsibility beautifully.

My assembly on Tuesday was about believing in yourself and it being 'Good to be Me'. We thought about what made us special and therefore unique in our own right. I told the children a story about a mouse that didn't believe in itself but went on to save the day. My key message was that sometimes it is difficult to have a strong self-belief but, as a staff, we all believe in every child in the school and it is okay for a child to be catching up with us in believing in themselves, or to have a day where they lose their self-belief, but that it is important at those moments, to think about why they are special and remember to begin to believe in themselves again.

The gas work in the school has been approved by the borough and we are just waiting for a start date. As soon as I have more information, I will be sending a letter out.

Finally a plea for any parents interested in being a DJ for the school discos. If you are interested (it isn't until the Summer Term) and feel like you could help us out, please speak to Michelle Williams or myself.

Headteacher

Nonstopaction KS2 Football

The Nonstopaction KS2 club played their final session at the Byng Road playing fields. The children had an opportunity to apply the skills they'd been working during the term on the pitch and they were also tested by the elements! Thank you to the NSA coaches for refereeing. We look forward to the children developing their football skills further on Wednesdays in the Spring Term.
