Volume 15- Issue 5

Thursday 4 November 2021

Welcome back! The children have come back rested (bar being tired from trick or treating!) and ready to go with their learning. Walking around the school, going from room to room, whatever age, you can see (and hear) the buzz of activity, with the children really enjoying their work and actively learning.

I always find that our hall provides a great window into the learning going on in school. You walk through and there is a PE lesson with children showing off their balancing skills; then you are transported back to the early 1940's with children being evacuated to different families; then a class practising their assembly about the Anglo Saxons; then a science lesson on different forces with paper aeroplanes flying past your head and items being dropped from on high - all being carefully measured and recorded; then jive music blares as children learn a new dance; then a sobbing Romeo is leaning over Juliet as the Young Shakespeare Company bring a Shakespearean classic alive for our Year 5 and 6 children...and that is just during school hours! There is such a wonderful hub-bub of activities going on that you cannot help but smile as you go past!

The week of the 15th November is Anti-Bullying Week. The theme of the week is 'One Kind Word' and the children will be thinking about how kindness can be spread through acts of kindness that can be passed on from one person to another. One way we are going to show the children this is through something called the blue ribbon activity. Every child will start with three blue ribbons. The first ribbon is for themselves - when they are kind to themselves - a skill we think is incredibly important for children to learn to support their own mental health. They will do some work around this so they understand what being kind to yourself means and might look like and when they have been kind to themselves during that week they can tie the blue ribbon around their own wrist. The children then think of someone in the school that they value (maybe someone who has done something for them that made a significant difference; someone who helped them in a small way; someone who has inspired them). We encourage them to think outside of just their friendship circle and again we do a lot of work around this in the classroom. They then give that person two blue ribbons and tell the person why they felt that they should have their ribbon. One ribbon is to tie around their wrist and the next is for that child to then pass on to someone else! The plan is to then watch the ribbons spread and we would ask for that week for the children to come back into school wearing their ribbons each day. If children have two ribbons on their wrist and they are given more, they will pass those ones on and therefore be able to spread the kindness further and further! Please do ask your child why they have their ribbon.

With Guy Fawkes night coming up and lots of fireworks displays back on for the first time in a few years, please talk to your children about keeping safe and enjoying the displays from a safe distance.

Wishing all of our families a happy Diwali!

Children in Need

Our theme for Children in Need on 12th November is '**BE YOU DAY**', therefore children can come in wearing something they feel comfortable in and bring £1 or more to donate to Children in Need.

We have a range of British Legion wares for sale in school, so if you could send your child in with a small amount of money, that would be appreciated. On Thursday 11th November at 11am, we will hold one minute's silence in memory of the fallen

BOOK FAIR

22nd to 26th November

There will be a Book Fair in school on from Monday 22nd to Friday 26th November after school—an ideal opportunity to buy your early Christmas presents and raise some money for the school, so come along and browse the shelves!

We look forward to seeing you at the Book Fair.

Annual Flu Vaccination Rec-Yr6

Flu vaccinations will be carried out in school on **Monday 22 November** (letter to parents emailed out on 19th October). The consent process is electronic so, **if you have not already done so**, please click on the link in the letter

You will need to enter the unique code for our school which is CL101279

If the nursing team do not have consent from you, your child will not receive the vaccination.

Foulds vs Northside

Foulds 8-2 Northside (*Barnet Central League*)

Foulds' 2020-21 League campaign got underway with a match against Northside School. Foulds returned to play their first game at Old Elizabethans Cricket Club (OECC) since March 2020.

Northside looked good in the warmup but as the game got underway, it was evident they couldn't contain Foulds' excellent linkup and attacking play. Foulds soon took the lead and with some ruthless finishing, took full control. Five quick goals put them in an unassailable lead before the visitors pulled one back with a rifling shot. Normal business was resumed and Foulds' added three more to make it 8-1 at the break.

In the second half, some players were brought in to make their debuts and players were positioned differently. The second half was a more even affair and Northside battled well to pull back another goal and it ended 8-2.

Foulds B 9-1 Northside B (*Friendly*)

Meanwhile, the rest of the players in the squad were in action as they took on their counterparts from Northside. They too took control early in the game. Goals soon followed and they found themselves 5-0 up at half time.

With a couple of players going to the other game, those remaining got more game time and continued to impress. Some nice link-up and unselfish play helped the team add four more well worked goals before Northside (who refused to give up) pulled one back in the final minute. Final score 9-1.

Next up: Foulds B team will be in action also on November 4th as we welcome Alma B to the Byng Road playing fields for a friendly.
