Thursday 21st November 2019

Last week Friday, all of the children in Years 1 to 6 swapped classes for a lesson and all mixed together to complete an activity for anti-bullying week. The activity was around choosing any two different creatures and finding similarities between them. The children and teachers had a fantastic time, so much so that we have decided to integrate these year group 'mix ups' at least once a half term into the children's learning.

Walking around this week I have really enjoyed popping in and out of English lessons throughout the school. The children are always working towards a piece of writing for a specific purpose....this could be to tell Mrs Ingall and myself where to take her son and my nephew for a day trip, or writing for a competition. Do ask your children what they are writing about at the moment and whether they can tell you who the writing is for (the audience) and why they are writing it. If the answer comes back that they are unsure or better yet 'because my teacher told me to', please don't worry, this is something that we are working on embedding - encourage them to come back to school and ask their teacher to remind them of the purpose of their writing!

By the time this is published I will have heard the Yr 3/4 recorder concert so I hope the parents that came really enjoyed it. Having heard them practise, I know we are all in for a treat and am looking forward to it.

## International Day

On Thursday 7th of November we had International Day. On this exciting day we learned all about different cultures. We did many fun activities such as art, music, learning words and numbers in different languages, and many other things! All of us enjoyed sharing what we learned with the whole school. We thoroughly liked this wonderful experience because it was fun and we can't wait to do it again!

## A photograph of two young girls sitting at a blue table in a classroom. The girl on the left is wearing a grey long-sleeved shirt with a colorful pattern of animals and is holding a red marker. The girl on the right is wearing a blue long-sleeved shirt with a red star pattern and is holding a yellow marker. They are both smiling at the camera. In front of them is a white piece of paper with the words 'My Day' written on it. In the background, there is a yellow clock on the wall and a shelf with various items.
